More Fire Equipment Recommended Here

At the regular meeting of the Council of the Town of Didsbury on Monday, January 21, the inspector's report was read and showed that the books and records were kept in a very satisfactory manner and no fault was found in the administration of the affairs of the town.

A report was also submitted by the Western Canada Insurance Underwriters' Association and some recommendations were made regarding fire equipment. Among these was that eight-inch pipe be used on all water mains when extending the system, and that additional 2½ inch hose be purchased for fire protection.

F. L. Evans was appointed returning officer to conduct the forthcoming elections.

The date of the annual meeting of the Town is Monday, February 18th, and Election day is Monday, February 25th.

The gas franchise for Didsbury was discussed and Council hopes to hold the necessary plebiscite some time in March, after final approval has been obtained from the Board of Public Utilities.

11 Members Attend Zella Institute Meeting

The Zella W. I. held its first meeting of 1952 at the home of Mrs. E. Waldruff, with 11 members present and Mrs. E. Lowrie in the president's chair.

The meeting opened with the singing of O Canada and the Creed, followed by the Roll Call. "Say something nice about the lady on your right," Mrs. Tony Spooner, secretary-treasurer, read the minutes, which were adopted.

The year's program was completed with the next meeting to be held at the home of Mrs. Arthur Waldruff on February 21st.

Members drew their Secret Slates for the coming year. A letter in poem form from Mrs. Leon Grace of Sydney, B.C., was quite entertaining, and she thanked the Red Flannel Club for their Christmas card.

Mrs. John Hansen gave an interesting reading for Social Service, entitled "Their Place in the Sun." This dealt with child mortality and its causes.

Mrs. E. Waldruff for her Bit of Fun, asked each lady to relate some amusing incident on her wedding.

With the singing of God Save the King and the offering of an abundant lunch by the hostess another pleasant afternoon was spent.

The card party held at the home of Mr. and Mrs. Bill Eggen on Friday, January 18th, was well attended in spite of cold weather and bad roads. Seven tables of whist were played. Honors were won by Mrs. Fred Lucas of Olds and John Hansen, and consolations went to Kathleen Eggen and Fred Lucas, Ladies and gentle travelling prizes were won by Elizabeth McConnell and Edward Waldruff. Proceeds of \$10 were sent to the Crippled Children's hospital in Calgary.

The next W. I. card party will be held at the home of Mr. and Mrs. Halgar Christensen on Friday, February 1st.

Leslie and Bobby Waldruff are round and about again after a session of chicken pox.

We wish a speedy recovery to Harold Spooner, who is ill with the red measles.

CHECK YOUR LABEL

The subscription list of The Didsbury Pioneer was brought up to date this week. Check the label on your paper and if there is any error please notify this office immediately.

If your paper is in arrears kindly endeavor to pay the outstanding amount at your earliest convenience.

DIDSBURY HOSPITAL BIRTHS

Born at the Didsbury hospital to Mr. and Mrs. D. Steckley of Carstairs on Thursday, January 24, a son.

To Mr. and Mrs. Jerry Gibson of Sundre on Friday, January 25, a son.

RED CROSS ANNUAL MEETING MONDAY, FEBRUARY 4

President Jack Robertson of the Didsbury and District Branch of the Canadian Red Cross Society has announced that the annual general meeting and family gathering will be held in the Lions Hall, Didsbury, on Monday evening, February 4th, at 8:30 p.m.

Delegates will be appointed to the divisional annual meeting to be held in Edmonton on February 21 and 22.

A light lunch will be served by the ladies at the close of the meeting.

Community Centre Still Needs Support

The Community Centre is administered by a Board of Management consisting of three representatives from the Lions Club, three from the Legion, one from the town council, and one from the curling club. These men form the ice committee, the grounds committee and the schedule committee.

Regular meetings are held the last Monday of each month, and special meetings when required.

During the past year the Board has put in additional seats and numbered them; enlarged and remodelled the penalty box; extended the wiring; installed the clock and the electric bell; installed the loud speakers which were donated by the Ladies Sports Club; and added a second ticket booth.

All of these improvements cost money and the support of everybody is needed. You can help by attending the hockey games.

By the way, don't forget the annual carnival on February 22nd.

Prize Winners In Ladies' Bonspiel

Visiting rinks took top honors in all three events at the annual Ladies' Bonspiel held Monday and Tuesday of last week. Extremely cold weather and drifting snow held entries to 10 rinks as compared to 27 last year.

First prize in the main event went to Mrs. Martinussen of Aldrie, with Mrs. Moeen of Carstairs second, Mrs. Margaret Clayton, Didsbury third and Mrs. Marcel McCoy, Didsbury, fourth. The second event was won by Mrs. Marshall of Carstairs. Second prize went to Mrs. J. P. Schuder and consolations to Mrs. J. Cowie and Mrs. W. Notley.

The consolation was won by Mrs. Clarke of Carstairs, with Mrs. Daley McCoy second and Mrs. Eda Wood third.

WESTERDALE

Mrs. H. Jackson and Mrs. F. J. Jackson were co-hostesses to seven tables of whist played at the latter's home on Monday evening, with honors going to Mrs. S. Jackson and Mrs. J. P. Schuder, and consolations to Mrs. J. Cowie and Mrs. W. Notley.

The next card party will be held at the home of Mr. and Mrs. S. Jackson next Monday evening.

Mrs. C. Farrant of Lousiana left for Calgary and Lethbridge last Wednesday after spending ten days at the home of Mr. and Mrs. W. Herbert.

Mr. and Mrs. W. Herbert returned home Friday from a two week trip which they spent travelling in the U.S.A.

The local hockey team played at Sundre on Monday evening and the locals won by a 7-3 score.

Mr. and Mrs. V. L. Wollen returned to their home at Fort St. John on Friday after spending a month visiting with their daughters Mrs. F. Herbert and Mrs. L. Krebs.

The Ray Little show will be held at the Westerdale hall on February 5th.

Mr. and Mrs. W. Wigley and Mrs. D. Herbert moved to Red Deer on Wednesday to attend the funeral of little Evelyn Pyle.

Local High School Rink Wins Playdown at Olds

At Olds Saturday, January 26th, the rink from Didsbury High School came out on top in the district curling playdowns of the Junior Brier. This competition is Dominion-wide and is sponsored in Alberta by Taylor, Pearson and Carson Ltd.

The Didsbury boys competed with rinks from Aldrie, Crossfield, Olds and Sundre, and the win entitles them to a trip to Calgary to play in the Regional Playoffs at the Glenora Club against other rinks from Southern Alberta on February 8 and 9.

Cam Worlie skipped the Didsbury rink, with Richard Law playing third, David McEwen second and Jack Clayton lead.

PAK JONG YONG, 19-year-old Korean interpreter with the 25th Canadian Brigade in Korea, says farewell to the 25th Canadian Brigade in Korea, says farewell to Hon. Brooke Claxton, the Korean youth arrived in the Metropolis recently and will attend college under the sponsorship of The Standard, Montreal.

Farewell For Mr. And Mrs. J. Worthington

Over eighty members and friends of Evangelical United Brethren Church met in the church basement Sunday evening to honour Mr. and Mrs. John Worthington and family who are moving to Champion, Alberta, in the near future where Mr. Worthington will become the manager of the International Harvester agency.

A musical program was rendered under the chairmanship of Mr. E. Dippel. Choruses led by Mr. Jim Hooper, a duet by Mrs. Dave Janzen and Mrs. Pete Janzen, a piano solo by Mr. Kenneth Grams, a duet by Mrs. W. Irwin and Mrs. C. Stroud, a solo by Mr. W.A. Sherrick, complimentary speeches by Mr. H. Oke and Mr. Bennett Brower, a solo by Mrs. H. Feeg, and a violin solo by A. Braley, were among the items on the program.

A presentation was made to the honored guests of a beautiful lamp, by Mr. E. Dippel.

Mr. and Mrs. Worthington will be greatly missed in the community and best wishes are extended to them for their success and many new friends in Champion.

Lunch was served and in closing "Blest be The Tie That Binds" was sung.

LADIES' CURLING CLUB NOTES

Mrs. Daisy McCoy, Margaret Hanson, Shirley Sharples and Janet Block attended the bonspiel at Olds January 24 and 25, and won first prize in the third event.

Marvel McCoy took a rink to the Midway bonspiel on January 22 and 23, comprising Freda Klein, Nellie Roberts and Rose Morris, and they won fourth prize in the second event.

Early Birds

JACQUES CARBONEAU, (left), Claude Rivard, (right), Ottawa, are a couple of early birds leaving for the Olympic Games which open at Oslo February 14. Here they are practicing their blade for Sweden where they will do some preliminary training before going on to Norway. Both boys are cross-country runners. They assist the new Canadian Olympic team crest.

ELKTON CURLING RINK

Ice-making has been completed at the new Elkton curling rink and mixed rinks are now being drawn for play on the single sheet of ice. The Elkton curling rink has been constructed on the south side of the road across the Little Red Deer River from Erickson's Store, and all material and labor so far has been donated. While there is still some work to be done on the building before it is completed, the structure is sufficiently advanced to allow curling during the balance of the winter, and next summer the club plans to finish the building.

WEST NOTES

Mr. and Mrs. J. Bagshaw were Calgary visitors last Tuesday.

Members of the Rugby W.I. met at the home of Mrs. R. McNaughton, last Friday afternoon when two quilts were tied, one for the Red Cross and one to be kept by the W.I. in case of emergency, the pieces for the latter having been donated by Mr. J.V. Berscht.

Mr. and Mrs. Buckingham of Sundre visited with Mr. and Mrs. E.W. Lowrie on Sunday.

The infant sons of Mr. and Mrs. Arnold McCulloch and Mr. and Mrs. Howard Krebs were christened last Sunday morning in the Didsbury Lutheran church receiving the names of Earl Arnold and Darwin Howard James respectively. After the service the parents, the sponsors, Mr. and Mrs. L. Krebs, Mr. and Mrs. Albert Krebs, and Mrs. and Mrs. A.L. Hogg were guests at the home of Mrs. O. Krebs.

Mr. and Mrs. V. Schneidmiller visited with Mr. and Mrs. Albert Schneidmiller on Sunday.

Miss Marion Bagshaw has been home the past week owing to illness.

What might have been a serious accident happened on the river hill by the south ford on Sunday afternoon when Mr. E. Pearce of Sundre failed to make the turn coming north and went over the steep side, with his new truck landing up among the rocks and snow and with the truck on its side. Luckily, no one was hurt, although his wife and two children were with him. It took lots of help with men and equipment to get the truck back on the road. Roads are slippery and dangerous these days, especially in the true of the road west of the Byrt store.

Mr. and Mrs. E. Lowrie visited with Mr. and Mrs. A. L. Hogg on Monday afternoon.

The Rugby W.I. held a whist drive at the home of Mr. and Mrs. L. Krebs on Monday evening when nine tables playing. Honors went to Mrs. A.L. Hogg and Mr. W. Weidner and consolations to Miss Eunice Sanderson and Mr. Alfred Covitz.

Don't forget that the Rugby W.I. meeting will be held on Monday, February 4th, at 2 p.m. sharp, as the nurses from the Mountain View Health Clinic will be out to speak. This meeting is to be at the home of Mrs. Alfred Covitz, and all ladies are welcome.

There will be a bingo party at the Elkton School on Friday, in aid of the local rink. Come one, come all.

The Rugby Hall Board held its annual meeting after the whist drive on Monday evening. Mr. L. Krebs was re-elected, and Mr. A. Blain will replace Mr. G. Thompson who now is living at Red Deer.

Mrs. O. Thompson is attending a major operation in the Didsbury Hospital Wednesday of last week. We hope she will soon be up and about again.

Two Injured In Level Crossing Accident

Gail Carlson and Leonard Covitz were taken to the Didsbury hospital Saturday night following an accident about 11:15 when a south-bound freight struck the car driven by Roy Luft at the railway crossing opposite Law's Drug Store corner.

There were six passengers in the car which was coming from the hockey game at the arena, and with windows of the vehicle frosted up apparently the oncoming train was not seen in time to prevent an accident.

While Leonard Covitz was said to be only slightly injured, Gail Carlson suffered back injuries and is now resting comfortably in the local hospital. The other passengers were only shaken up, although the car was extensively damaged in the end where it was struck by the train.

Other passengers in the car were Leonard Luft, Bob Bagshaw, and Delbert Byrt.

Burke Elected Trustee In Sub-Division No. 5

The final figures on the election for school trustee in sub-division 5 of the Olds School Division No. 31, have been announced by Returning Officer S. J. Gilson, as follows:

Roll	Burke	Clark	Spilled	Total
Bearberry	16	6	22	
Berges	1	1	2	
Eagle Hill No. 1	4	1	5	
Eagle Hill No. 2	4	5	9	
Eagle Valley	2	3	5	
Harmattan	5	5	10	
Inverness	7	14	21	
Lobley	21	1	22	
McBougal Flat	6	6	12	
Red Deer Flat	7	7	14	
Rockwood	19	3	22	
Sundre	37	13	50	
V. le View	5	4	9	
Westward Ho	11	6	17	
Zella	6	19	25	
Totals	156	105	261	

The two candidates, were David A. Burke, hardware merchant of Sundre, and David O. Clark, farmer of Berger, and following the official count Returning Officer S. J. Gilson declared David A. Burke elected as Trustee for sub-division No. 5 of the Olds School Division.

Mr. Burke replaces Wm. Davies who resigned from the Board after serving as trustee since the large Division was formed.

The weather turned warm Sunday and warm chinook winds have raised temperatures during the past two days to 40 degrees above zero. The weatherman predicts a continuance of the warm spell until Thursday at least.

Drives on Monday evening, Mr. L. Krebs was re-elected, and Mr. A. Blain will replace Mr. G. Thompson who now is living at Red Deer.

Mrs. O. Thompson is attending a major operation in the Didsbury Hospital Wednesday of last week. We hope she will soon be up and about again.

ON CIVIL DEFENCE

(By Mrs. H. Lynch Staunton)

ARTICLE XVI Chemical Warfare

Spies of international agreement outlawing poisonous gases, they were used in World War I. They were not used in World War II. This latter fact is not a sufficiently convincing argument that they will not be employed in the event of a future general war.

At the end of World War II it was found that the enemy possessed large stocks of war gases. We cannot be certain why they were not used. But two probable deterrents were the possibility of retaliation, and the knowledge that the British people possessed all types of respirators and knew how to use them.

In the event of another general war, an enemy might resort to a surprise attack hoping to catch the civilians completely unprepared. The possibility of such an attack is taken into account in training Civil Defence workers, and they are taught the properties and effects of war gases, and the available measures of protection. But an effective national defence would largely depend on the knowledge possessed by the general public as to what to do in an emergency.

When you add it all up...

When you consider the men, women and money needed to operate 3,700 branches — you see what is involved in looking after the greatly increased demands made by busy Canadians upon their chartered banks.

In ten years... with bigger staffs and higher wages, payrolls have jumped from \$40 million a year to \$102 million

... taxes, federal, provincial and municipal, have risen from \$9.5 million to \$20.7 million a year

... interest paid to depositors has increased from \$22 million to \$57.8 million a year.

And these are only three of many expense items. Yes, today more than ever, it costs money to run a bank.

1951 ACCIDENT TOLL

Farm accidents in Alberta last year claimed a total of 28 farm people. It is a calamity that such a large number of fatalities should have occurred from this cause, most of them needlessly. But the saddest part of all is that included are the lives of seven children.

Twenty of the accidents were brought about by tractor mishaps. 15 of which resulted from the tractor turning over and crushing the victim beneath.

The Alberta Wheat Pool brings these facts to the attention of farm people in the hope that an interest in farm safety can be aroused.

Most accidents can be avoided if farmers would take greater care and observe a few simple safety rules. In particular, never take a chance with the farm tractor, and never let small children ride on farm machinery. —Wheat Pool Bulletin.

B. J. McBain, supervisor of dairy cost studies, Alberta department of agriculture, reports that in the group average of 40 farms in the Edmonton district, time required to produce a pound of butter now averages one-half hour compared to one hour 12 years ago.

NOTICE OF ANNUAL MEETING TOWN OF DIDSBURY

Public notice is hereby given that a meeting of the electors of the Town of Didsbury will be held in the Lions' Hall on Monday, the 11th day of February, 1952, at 8:00 o'clock p.m., for the purpose of receiving the report of the Mayor, Secretary-Treasurer, Auditor, and chairmen of the various committees of the Council for the year ending December 31st, 1951.

TOWN OF DIDSBURY
F. L. EVANS, Sec. Treas.

WARNING TO DOG OWNERS

Complaints have been received regarding dogs running at large in the Town of Didsbury, annoying home owners and causing minor damage around garbage cans, and property.

Dog owners are asked to co-operate by keeping their dogs at home if at all possible, otherwise it will be necessary to ask for a by-law to enforce such a measure.

Every dog owner is required to have a tag for his dog, and this is to be attached to the animal on a collar. On and after February 15th all dogs without licenses will be destroyed if reported to be annoying citizens.

TOWN OF DIDSBURY,
Const. W. B. Dobbin

NOTICE OF MUNICIPAL MEETING AND NOMINATION OF CANDIDATES AT GENERAL ELECTION

Notice is hereby given that a meeting of the electors of the Municipal District of Mountain View No. 49 will be held at the Opera Theatre, Didsbury, at one o'clock p.m. on

SATURDAY, FEBRUARY 16, 1952

For the discussion of the affairs of the district; and that from three o'clock p.m. to four o'clock p.m. on the same day, and at the same place, nominations for the office of Councillor and Hospital Representative will be received.

Two Councillors and four Hospital Representatives are to be elected.

Councillors are to be elected for the following Electoral Divisions: Division No. 1, and Division No. 3.

Hospital Representatives are to be elected for the following Municipal Hospital Wards:

For Olds Municipal Hospital District No. 26:

Ward No. 1, and Ward No. 4.

For Didsbury Municipal Hospital District No. 33:

Ward No. 2

For Calgary Rural Municipal Hospital District No. 63:

One Representative.

Dated this 17th day of January, 1952.

G. A. YOUNG,
Returning Officer

A patent has been issued for a device that will cause highway surfaces to speak up when an automobile approaches a danger point, says Napier Moore in the Financial Post. The undulating panels let into the road surface, plus a friction of the car wheels convey the sound waves and the car body acts as a sirenbox to make audibility. So far, only single words such as "danger" or "crossing" are contemplated but, just wait until the advertising agency boys get hold of this one!

Crippled Children Now In New Hospital

Wednesday morning, January 23 at 9:15 a.m. the people of Alberta gave their greatest gift to the crippled children of the province when 45 youngsters were transferred from the old Junior Red Cross hospital to the new and ultra-modern Alberta Red Cross Crippled Children's hospital in Calgary. It will serve children from all over Alberta, the Peace River and Northwest Territories whose parents cannot afford prolonged orthopedic care.

This move was the climax of eight years of planning and starts a new era in the treatment of Alberta children suffering from orthopedic disabilities. While it is true that only those closely associated with the work can visualize the changes the new hospital will bring, it is equally true that every Albertan will be able to point with pride to the building and work that their charity and generosity built.

The million and a quarter dollar building, overlooking the city itself and with a panoramic view of the Rocky Mountains, is expected to not only assist the crippled children in the province through known methods, but to become a leading orthopedic centre.

The big move from the old hospital, which has seen service for nearly 30 years, was begun shortly after 9 a.m. in 28 degrees below zero weather. What had been almost indescribable turmoil through the narrow hallways and stairs suddenly resolved into clockwork precision and timing.

As cars driven by members of Calgary Kinsmen and Active clubs drove up to the front door, a Kinsman called out the names of a child and attendant. Both were hurried into the car and it was driven away to be succeeded by another. In this manner 32 patients were moved in 13 minutes with the entire operation, including 13 stretcher cases, taking one hour and 30 minutes. Starr's Ambulance Service moved the children on stretchers.

Although the public was barred from the move, members of the press and radio were in attendance as was a newsreel cameraman from Vancouver. Newsreels showing the move will be screened throughout Canada in about 10 days.

The new 119-bed hospital was built and equipped almost entirely with funds given by the people of Alberta, although federal and provincial grants totalled \$357,000. A total of \$155,000 was given by Albertans for equipment.

The new Alberta Red Cross Crippled Children's hospital is truly a monument to the generosity of the people of Alberta who are thus providing the finest orthopedic care for

FARM HELP

Farm labour is going to be very scarce this coming spring and summer. Enlistments in the armed forces and the trek of farm workers to urban industries have depleted the ranks of farm labour.

The Alberta department of immigration suggests that farmers who require help should be prepared to accept workers in advance of actual season requirements. The first group of immigrants for employment as farm workers will reach Canada this month and will consist in the main of selected farm labour from Holland, including family units, married couples, and single men.

Farmers requiring help should contact the above mentioned department or their local district agriculturalists.

WESTCOTT NOTES

(Last Week)

At about 7 a.m. Wednesday morning, January 23rd, fire destroyed the home of Mr. and Mrs. Bernal Reinhardt. Quite a number of friends and neighbors weathered 30 below temperatures to go to their aid but the fire seemed to be between the walls in the attic and all their attempts to put it out seemed of no avail. However, much of the contents of the house were saved and the fire in the garage adjoining the house was safely removed. Mrs. Reinhardt was away on holiday in B.C. at the time, so the loss of her home will certainly be a shock to her.

Mrs. Albert Korschuh has had a bout with the flu and tonsillitis, but we are glad to hear she is feeling much better now.

The weatherman turned on the pressure and with 26 below temperatures and a wind of blizzard proportions Monday morning. Mrs. Korschuh did not have school as it was too risky to expect children to go out, especially if they had to travel any distance.

There was no skating at the Westcott rink Friday night as it was just too cold. However, it is planned to carry on the skating schedule as in previous years and any Friday night you feel like skating come to the Westcott rink and enjoy yourself.

A number of folks from this vicinity attended the Kenneth Umbach wedding dance at Cremona last Friday night and all report having a fine time.

The Clifford Murphy family has been sick with the flu and it seems as if it's been making the rounds.

Mrs. Topping Sr. has gone to Calgary to spend a few weeks with her daughter, Mrs. John Bird.

their children, in a building "where the work of mercy never ends."

in the "Front Lines of Freedom..."
with the **INFANTRY**
(QUEEN OF BATTLES)

Modern inventions have not taken away from the Infantry its all-important part in victory. Again and again, in the battles of 1939-45 and in Korea, Infantry has proved itself — "Queen of Battles". The job of the infantryman has become tougher, more complex. He must be able to handle more weapons and to meet a greater variety of situations in defence and attack.

To attain the specialist rank of Leading Infantryman and the extra pay that goes with it, calls for intensive training in many varied subjects. For the Canadian Infantry Soldier is one of the most thoroughly trained men in our army. He ranks with the finest fighting men in the world.

More men are needed right away to serve with the Infantry — the most important men in the Canadian Army.

To enlist you must:
Volunteer to serve anywhere. Be 17 to 40 (Tradesmen to 45).

**Perambulating House
Marvel of Engineering**

Like the snail and the tortoise, there's a Calgary man who carries his house with him. But you would have to be welder, mechanic, machinist, metal worker and carpenter like him, to do it.

Paul Bonikowski is the man who built his house on wheels. The four-roomed bungalow has an engine and is built on a truck chassis. When he doesn't like the neighborhood in which he is living, he just starts up the engine and moves to any spot he prefers. He can have a river view, a mountain view, or a prairie scene, as he desires.

The truck-house is a wonder of amateur engineering. It is 24 feet long and 16 feet wide, and just looks like any other cottage, except for the wheels underneath.

Two rooms which are built on the side can be folded up on top when moving time comes to make the house eight feet wide.

It's furnished in handsome pine paneling, and has a kitchen, lavatory, living room and two bedrooms. The front bedroom is also the driver's cab. All he does is lift up part of the floor to show the clutch pedals, brake and other instruments. A small table is built around the dashboard.

Mr. Bonikowski spent two years building the house, and most of his life's savings went on the job, but as he says, it will save him the trouble of selling his house here and buying another somewhere else if he ever leaves the city.

Mr. Bonikowski works repairing automobiles, and started his house where he is employed. When finished, it was moved to an empty lot in East Calgary. His top speed is 60 miles an hour, but it rides best at 45.

In building the house on wheels, he put all the heavy equipment such as the water tank and kitchen on the side resting on the chassis, to give more support. Brass bolts and connections were used to prevent rust in exposed parts, and even special Venetian blinds were used to lighten the load.—Calgary Albertan.

"A freak of nature." That's what they call the silk-like rock from which asbestos comes when they first found it a century ago. Today, Canada is the world's leading producer: it's a \$75 million a year industry with a \$35-million expansion program.

**Few Grasshoppers
Expected This Year**

There will be few grasshoppers to trouble Alberta farmers in 1952. That's the good word from Dominion entomologists, based on their survey of both adult and egg populations during the past season.

In 1951, crop-damaging grasshoppers in Alberta covered an area of around 11 million acres. During the coming season, 2 and one half million acres is expected to be their limit. Timely forecasts and effective control over the years coupled with unfavorable weather of the past season have been mainly responsible for this large reduction.

W. Lobay, Supervisor of Crop Protection, Alberta Department of Agriculture, says that even in this reduced area only light infestations are generally expected. Southern and eastern districts of the province will be chiefly effected—the areas around Bodo, Membrum, Coronation, Craigmyle, Three Hills, Trinitaria, and east of Carman. Mr. Lobay warns however that although grasshopper activity generally is expected to be light, heavier infestations may appear locally. Cultural control early in the

spring should be practised as far as possible if heavier egg-laying activities were noticed.

The types of grasshoppers present will depend on the area. Between Calgary and Lethbridge, lesser migratory and two-striped grasshoppers will be the main types. From Calgary to Drumheller the two-striped will be the most common but there will be some of the roadside species south of Drumheller. Around Craigmyle, the roadside hopper will predominate.

Grasshopper forecast maps of 1952 are now being prepared and will soon be posted in elevators, offices of district agriculturists and municipal secretaries, and other prominent places throughout the province. As usual, the Alberta Department of Agriculture will have on hand various control chemicals ready for immediate use if needed.

THE BEST FOR ALL

The only thing to give to your enemy is forgiveness; to an opponent, tolerance; to a friend, your heart; to your child, a good example; to a father, deference; to your mother, conduct that will make her proud of you; to yourself, respect; to all men, charity.—Arthur James Balfour.

1952's NEWER and MIGHTIER CHEVROLET TRUCKS

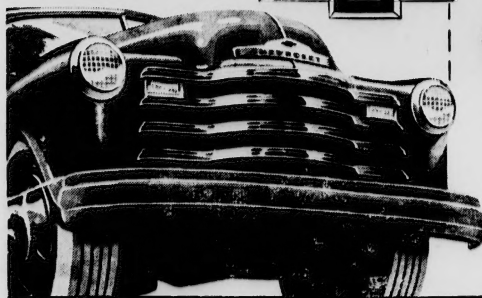

give you
THE BEST AND THE MOST FOR YOUR MONEY

Nineteen-fifty-two brings a new era in Truck Transportation — made possible by Chevrolet engineers! Here, for '52, are more Chevrolet Truck models to choose from than ever before! They'll carry bigger payloads! They'll haul loads faster — powered by the famous valve-in-head Chevrolet engines rated up to 120 horsepower.

It's a fact! Wherever trucks must really earn their way, wherever costs are figured down to the last cent — that's where a 1952 Chevrolet Truck, and only a Chevrolet, fills the bill! That's true whether your job calls for a sedan delivery or an extra-heavy!

See for yourself. Check Chevrolet Trucks point for point — count up the features that make Chevrolet more than ever The Leader! First in value, first in demand, first by far in actual sales!

A GENERAL MOTORS VALUE

**Models for every load and purpose**

Whatever your trucking needs, there's a Chevrolet truck model suited for your purpose. Whether you're in the market for panel deliveries, cab-over engines, forward controls or any other style, you owe it to yourself to see your Chevrolet truck dealer. That's where you'll find exactly the truck you want.

**Complete range of wheelbases and carrying capacities**

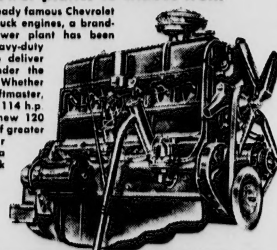

The Chevrolet truck line for '52 offers you a wider choice of wheelbases, ranging right up to 212". Carrying capacities have also been increased to 17,500 lbs. with the 1700 Heavy Duty series. And all this extra payload and carrying capacity is yours at amazingly low cost. No other truck line gives you so much for so little.

**Axle capacities for every job**

The right axle for any type hauling job — still another reason why the new Chevrolet truck line lets you carry more payload without overloading. Chevrolet truck axles are designed to absorb the shocks and jolts caused by rough roads and heavy loads. What's more, they deliver greater pulling power with less engine effort throughout the entire speed range. And there's now a heavier two-speed rear axle available for the Heavy Duty models.

**4 great power plants to choose from**

To the three already famous Chevrolet valve-in-head truck engines, a brand-new, fourth power plant has been added! It's a massive, heavy-duty 120-h.p. engine designed to deliver outstanding performance under the toughest working conditions. Whether you choose the 99 h.p. Thriftmaster, the 105 h.p. Loadmaster, the 114 h.p. Torquemaster or the husky new 120 h.p. engine, you can be sure of greater dependability and greater power-per-gallon from a Chevrolet valve-in-head truck engine.

Be Proud Of Your Business

Modern advertising is a necessity to hold and build business. Be proud of your business, of the goods you have to sell, of the services you have to offer in your particular line. Show the progressive spirit and the desire to serve by advertising. Do not hide your light under a bushel—proclaim far and wide who you are and what you have to sell and where your place of business is, for public memory is short, and advertising is a powerful aid to all types of businesses. Moreover, people as a general rule shop where they are invited.

Old-Age Pensioners Residence Regulations

Temporary Absences Allowed

The federal government has spelled out in detail the residence requirements for its new old-age security program.

Under the program, pensions of \$40 a month are paid to all persons 70 and over, provided they have lived in Canada for at least 20 years.

The health department said today a claim of 20 years "continuous" residence in Canada will be accepted if temporary absences within that period do not total more than 1,200 days — an average of two months a year.

Special provision is made for five groups of people whose business might require longer absences from the country. They are persons employed on ships or fishing boats; employed on trains running out of Canada, operated by a railway company with its head office in Canada; employed in lumbering or harvesting and not absent from Canada for more than six months at a time; employed by United Nations or any of its specialized agencies; employed as a representative or member of a Canadian firm or corporation.

Their absence from Canada will not be counted against them for old-age security purposes provided they maintain a home in Canada or had a permanent place of abode to which they planned to return at the end of their employment abroad.

Canadian residents who go abroad as missionaries, as members of Canada's armed forces or those of any ally of Canada, or as employees of the federal or any provincial or municipal government will not be counted as absent for old-age security purposes provided they returned to Canada at the end of their duties abroad. Persons in this group are not required to maintain a home in Canada while they are away.

All the exceptions also apply to a married woman or widow who was absent from Canada because of the employment of her husband outside the country.

NEW VAMPIRE FIGHTERS FLYING TO MALAYA

The longest two-way ferrying of jet aircraft, a 17,700-mile flight between Britain and Singapore, began this month and will be completed by April. Pilots of the R.A.F. Transport Command's Overseas Ferry Unit will take out tropical de Havilland D.H. 98s (for Far East Air Force use against bandits in Malaya) and bring back Vampire V's flown out at the end of 1950.

WESTCOTT

The car load of young people, driven by Roy Luft of Westcott, narrowly escaped with their lives on Saturday night at the north crossing in Didsbury when they were struck by a through freight train. We understand two or three of the occupants of the car received medical care in the hospital but were released later. The car was badly damaged. This crossing is bad, especially when it is slippery, as most of us have encountered if we drive cars.

Mr. and Mrs. Garnet Brown of Camrose visited with Mr. and Mrs. Albert Schneidmiller on Sunday night, as did Mrs. Reinhart Sr. and son Bernal.

Our very best wishes are extended to Mrs. John Schneidmiller who is a patient in the Didsbury hospital.

The family of Mrs. Schneidmiller were here and to with their mother over the weekend, many coming from quite a distance.

Skating was again held at the Westcott rink on Friday night, as in previous years Friday nights are reserved for skating only. There is always a refreshment stand, too, on these nights.

This next Friday night there will be skating at the rink, followed by a dance at the school house, to which all are welcome.

Miss Deloyce Goetjen was a Didsbury visitor, Saturday night, with the Eckville hockey team, to watch her uncles, the Papke boys, compete against each other, and to visit with her own family here.

Mr. Ralph Buck and Mr. Robert Burke were weekend visitors at the Goetjen home, accompanied by the Misses Marjorie and Elaine Goetjen who attend school in Calgary.

On Sunday night last the young people of the Lutheran Church in Didsbury played hockey with the Westcott team at Westcott rink, the latter being the winners.

A hockey game is scheduled for this Thursday evening at Westcott rink between Westerdale and Westcott. Come out and see it.

South West Didsbury

Mr. and Mrs. Ed Clayton and Charlotte were Wednesday guests of Mr. and Mrs. J. L. Tuggle.

Mrs. George Meyer entertained 10 of the neighbor ladies Thursday afternoon at a quilting party. All enjoyed the afternoon and Mrs. Meyer served a lovely lunch.

Mr. and Mrs. Ian Morgan of Carstairs were Friday visitors with Mr. and Mrs. J. B. Hipkin.

Mrs. D. B. Westcott was able to leave the hospital on Thursday and is recuperating at the home of her daughter, Mrs. Glen Jackson at Acme.

Miss Grace Hunsperger is on the sick list with "flu."

Miss Katherine Clayton is a patient in the Didsbury hospital.

Mr. and Mrs. Roy Morgan and family of Carstairs were Sunday visitors with Mr. and Mrs. J. B. Hipkin and family.

Mr. and Mrs. J. L. Tuggle were Calgary visitors Monday.

Sunday dinner guests of Mr. and Mrs. Fred Befus were Mr. Cliff Eckstrand, Fern and Beverly.

MOUNTAIN VIEW

Congratulations are extended to Mr. and Mrs. Frank Bray (nee O'Brien Hughes) whose marriage took place on Thursday of last week.

A very enjoyable evening was spent on Friday at the home of Mr. and Mrs. Eric Gooding where a card party was held. The first prize for the ladies went to Mrs. David Pratt and the consolation to Mrs. Miller. Men's first prize was won by Art Gooding and the consolation by Doug Gooding. Lunch was served by the ladies.

Saturday evening visitors with Mr. and Mrs. Walter Pratt and family were the Miller family.

Sunday dinner guests with Mr. and Mrs. Ed McNeil and son were Mr. and Mrs. Charles Kohut and family.

Speedy recovery is extended to Mrs. Ernie Cullen who is now home after spending some time in the Didsbury hospital. Mrs. Chris Sanders and daughter of Olds are spending a few days with her mother.

Mr. and Mrs. Duane Fobes spent the weekend in Calgary and George Morasch stayed at the Fobes' farm to do chores.

Sunday afternoon visitors with Mr. and Mrs. George Clarke and Carol were Mrs. Sam Elliott, Bob and Joy Elliott, and Jimmie Hunter.

Visitors at the Gebers home on Sunday evening were Mr. and Mrs. Eric Atkinson, Mrs. Dowell and Mr. Fred Metz.

Mr. and Mrs. John Brander and children, and Mr. and Mrs. Rex Dawson and Karen, were dinner guests Sunday at the Wm. Bruce home, with Mr. and Mrs. Elmer Rogers and family and Miss Ethel Goering visiting during the afternoon.

Mr. and Mrs. James Worrall visited Sunday afternoon with Mr. and Mrs. Ernie Cullen.

January Specials . .

MASSEY HARRIS 21 COMBINE, 3 years old, has been kept in shed and looks very good. Completely overhauled last fall, and every doubtful part replaced. Has grain cleaner and straw buncher. Well worth looking into this one. Price reasonable.

JOHN DEERE SURFLEX TILLER — It's a combination machine. Can be used as a disk or tiller, and has tiller blades. You grease it only once every 100 hours. An eight-foot machine, can be made into 12, 16 or 20 foot by adding 4-ft. sections. We have one on the showroom floor. No price increase yet.

Mr. M. Weber is confined to the Didsbury hospital with pleurisy.

Dickau Electric installed an addition to the neon sign on the J. V. Berscht & Sons store on Tuesday.

Regular Meeting Of W. A. Evening Group

The Evening Group of Knox United Church held its regular meeting on Monday evening at the home of Mrs. Wood with 16 members and five visitors present, and three of the visitors joined the group after the meeting.

The devotional period was conducted by Mrs. J. Shannon, the retiring secretary-treasurer, and showed total proceeds for 1951 amounting to \$1,082.12.

At the close of the meeting the lunch committee served a lovely lunch.

Farmers Will Receive Extra \$50 Million

A 20-cent-a-bushel increase in the initial price of western wheat—applied to all wheat delivered to the Canadian Wheat Board since the beginning of the current crop year—was announced last Friday by Trade Minister Howe.

The increase, applicable to all grades, will boost the boards initial price to producers to \$1.60 from \$1.40 a bushel, basis No. 1 Northern at Fort William, Port Arthur and Vancouver. The higher price becomes effective on all new deliveries beginning February 1.

Cheques covering deliveries already made, the lower initial price will be issued by the board starting March 1. Mr. Howe estimated this will mean distribution of an extra \$50,000,000 to western wheat farmers.

The initial price is the amount the farmer receives when he delivers his wheat to the Canadian Wheat Board, the Crown Agency which acts as salesman for prairie wheat producers. If the board shows a profit in sales, it distributes this in the form of final payments to farmers at the end of the crop year.

When the current crop began on August 1 last Mr. Howe set an initial or delivery price of \$1.40 a bushel, basis No. 1 Northern wheat delivered to storage points at Fort William, Port Arthur and Vancouver.

The increase, said Mr. Howe is justified by the volume of sales already made by the board and the large commitments which the board has on its books for delivery during the remainder of the crop year. He disclosed no figures on the sales made or commitments received.

However, he estimated that between August 1 last—when the current crop year began—and January 17, farmers delivered about 242,000,000 bushels of wheat to the board and by the end of January these deliveries are expected to grow about 250,000,000.

Farmers making deliveries to the board on and after February 1 will receive the higher price of \$1.60 a bushel, basis No. 1 Northern. Those who have already made deliveries at the lower \$1.40-a-bushel figure, will receive adjustment cheques, starting about March 1. Mr. Howe estimated that the adjustment payment will involve a distribution of about \$50,000,000.

Canada sells most of her wheat under the terms of the International Wheat Agreement. This multi-lateral pact has fixed a ceiling of \$1.80 (United States funds) a bushel for No. 1 Northern.

Under the agreement, Canada has a quota this year of 233,000,000 bushels. The total wheat crop has been estimated by the Bureau of Statistics at 562,000,000 bushels about 175,000,000 bushels of which are still on prairie fields, under snow, to be gathered and threshed in the spring.

Western farmers have expressed some fear that part of the under-snow crop may be lost through spoilage.

The King of Spades in your playing card deck represents David, Lord of Israel, described as a "man of war."

Socialists and communists want to share everything equally—except the power to rule.

Lightest of all Canadian woods is the eastern cedar. It weighs only 19 pounds per cubic foot.
